IN REPLY REFER TO  
BUMEDNOTE 4812  
BUMED-27  
3 Jun 98

BUMED NOTICE 4812

From: Chief, Bureau of Medicine and Surgery

Subj: CANCELLATION OF BUMEDINST 4812.1, LOGISTICS SUPPORT AND  
MOBILIZATION PLAN (LSMP)

Ref: (a) OPNAVINST S3061.1D

1. Purpose. To cancel subject instruction.
2. Cancellation. BUMEDINST 4812.1
3. Background. Reference (a) canceled the requirement for Echelon 2 commands to develop LSMPs. Instead, Echelon 2 commands (e.g., BUMED) are now required to develop Manpower Mobilization and Support Plans (MMSPs) to address support and logistics issues formerly addressed in LSMPs. The BUMED MMSP, currently being developed, will serve to refine and expand guidance contained in reference (a) and to provide policy and procedures for claimancy 18 activities to begin development of MMSPs as the replacement for LSMPs for overall logistics, mobilization, and administrative support required under any scenario.
4. Action. Remove subject instruction from activity files and destroy. During the interim period while the BUMED MMSP is being developed, contact MED-27 if there are any mobilization related questions. Point of contact MED-27 is LCDR C. M. Howard, MSC, USNR, (202) 762-3428.

JOAN M. ENGEL  
Assistant Chief for Operational  
Medicine and Fleet Support
